A very big thank you to everyone who attended CDDC's 25th Anniversary Celebration and Concert Theme Launch on the 4th May and the event was a wonderful success and it was great to share this great milestone. It was a fantastic event and I am sure you will agree it's great to see so much activity here at CDDC. The performances were wonderful and the spectacular tutu cake was tutu much and the children really enjoyed the cupcake surprise!

Following the celebration CDDC tap students participated in a lively, energetic and exhilarating tap workshop with our 25th Celebration special guest Map Papas from the Tap Dogs. Judging by the smiles and laughter the students thoroughly enjoyed this memorable dance experience.

Another fantastic treat last week Sara Black 2008 Helpmann Award Winner conducted a contemporary workshop for CDDC students. This was extra special because Sara trained at CDDC and is now a member of Chunky Moves. It was a wonderful highlight for the students to work with Sara and to also discuss their dance with her.

Whilst it's cold outside CDDC is turning up the heat!!! We begin our concert rehearsals after the June long weekend the first rehearsal and run through will take place at CDDC studios on Tuesday 15th June and thereafter one weekly leading up to the final week of rehearsals and performance.

All students should have downloaded all the information in the concert pack and signed and returned their forms to the office. If you have not already done so please return these as soon as possible.

CDDC teachers have handed out costume information to all students and your prompt action on this matter is greatly appreciated by all concerned. If you have not received any information please follow this up with your children's teacher.
